At the rehearsal of the Elks Minstrels last night there was a large attendance and the enthusiasm shown bids fair to make the minstrel one of the best amateur performances ever given in the city. Next rehearsal will be Thursday night, January 12th, and all Elks, whether they expect to take part in minstrel or not, are earnestly requested to be present.

MURPHY, the Jeweler.

Charley Lloyd's store on Lawrence Creek was robbed Monday night. The bloodhounds were out yesterday and the officers have a pretty good line on the gentlemen who did the job. The store room looked like a Kansas cyclone had struck it. The cash drawer and safe were depleted of their contents, while goods of all kinds were scattered over the floor. Mr. Lloyd has not yet footed up his losses.

Yesterday Drs. Brand and Yassell cut open the injured leg of Joseph Ennie and removed several pieces of silvered bone. It will be remembered that Ennie was injured about a year ago by falling off a wagon heavily laden with coal and the wheel passing over his leg. He was in a Covington Hospital for quite a while but never was cured. It is hoped the operation of yesterday will be the means of restoring the usefulness of the limb.

MRS. ELIZABETH ROSS DAVIS.

Mrs. Elizabeth Ross Davis, one of the county's venerable women, passed away at 8 o'clock last evening at the home of her son, Clay Davis, near Reeterville.

Mrs. Davis was the daughter of the late James Ross of Johnson Junction and was in the eightieth year of her age.

In 1848 she was married to M. H. Davis, whose death occurred some years ago.

Surviving her are five children—Mrs. L. W. Galbraith and J. K. Davis of near this city, Dr. M. H. Davis of Mayslick, Clay of Reeterville and Mrs. F. R. Owens of Manchester.

Mrs. Davis for over fifty years had been a consistent member of the Methodist Episcopal Church, South.

The arrangements for the funeral have not yet been completed.

SOCIAL EVENTS

As is the annual custom of the Reverend gentleman, last night Father P. M. Jones entertained his Church Choir with a sumptuous dinner, given at his East Third street residence. The courtesy extended by the Pastor of the Church to the Choir are delightful and enjoyable occasions and eagerly looked forward to by the members. Those present at the dining were Rev. Jones, Mr. W. A. Cole, John Greeley, Misses Nellie Clark, Margaret Swift, Katie Hanley, Tillie Hasson, Nellie and Maggie Guilfoyle, Katherine Bodo and Mrs. Fristoe. Mr. Cole has been leader of the Choir at this Church for the past sixteen years, and in appreciation of his services Father Jones presented him with a handsome shaving set. After the dinner music and various games were enjoyed in the parlor for some time.

Sheet music below cost at Gerbrich's.

Yesterday afternoon as William Bryant and Mr. Bane of Tollesboro were driving out of Dryden's coal yard in the East End their horses scared at the approach of a street car and a passing sleigh—both happening to pass as the gentlemen in the buggy emerged from the yard—and began rearing and plunging, and for a time the vehicle was in imminent danger of being overturned and the horses running away.

The Court of Appeals yesterday, Judge Hobson writing, affirmed the Franklin Circuit and State Fiscal Courts in the case of J. H. Faqua, Superintendent of Public Instruction, v. S. W. Hinger, Auditor. The action was to require the Auditor to pay over to the School Fund a certain pro rata from the revenue derived from fees paid through the Insurance Bureau on foreign insurance companies, alleging \$130,000 was due the present year. The Appellate Court holds if it were the intention of the Legislature to pay such "license" tax to the school fund the law would have so stated.

BADLY BURNED

William Gillespie Sustains Painful Injuries at Cincinnati

William Gillespie, a bricklayer from this city, was frightfully burned about the head and body early Monday morning while placing new firebricks in a boiler located in the bottoms at Cincinnati.

Gillespie had crawled under the boiler and was busily at work when some one, not aware of his presence, turned on the steam.

His cries caused the steam to be turned off, but not until he had been severely cooked.

Gillespie was taken out half dead and sent to the City Hospital.

Mrs. Gillespie and children left for Cincinnati yesterday afternoon at the urgent request of her husband, who stated in a letter that he thought he would surely die, and that he wanted to see them all before death claimed him. Being without means Mayor Stallcup secured transportation for the distressed wife and children that they might be at the bedside of the dying husband and father.

INJUNCTION GRANTED

Judge Cochran Knocks Out the Newport Iron Strikers

The suit of the Newport Foundry and Machine Company against the Newport Iron Moulders' Union was tried yesterday morning in this city in the United States Court before Judge Cochran.

An injunction was granted transferring the jurisdiction over the strikers from the Newport City Police to the Federal Government.

The Iron Moulders' Union of North America, and Unions 20 and 432 of Newport are enjoined from interfering in any way with the operation of the Company's plant and from all acts of violence against the non-Union workmen.

The defendants were given until Tuesday, January 24th, to make application to have the injunction set aside.

The rehearing will be held in this city before Judge Cochran on the above date.

The plaintiffs were represented by Messrs. J. C. Wright and Charles F. Williams. Mr. Martin M. Durrett appeared for the defendants.

The Court's order also restrains R. H. Metcalf, National Financier of the Iron Moulders' Union of North America, and John Weaver, President of Union 20 of Covington, Paul Lindbolts and Albert Sandner, Representatives of Union 432 of Newport, from further interference in the matter.

The Maysville School of Phonography has just placed Miss Graco Redmond, a recent graduate, with the new American Tobacco Plant as stenographer and bookkeeper. Miss Redmond is one of this city's brightest young business women.

Late Saturday night John Redman, colored, forced an entrance into the home of Henry Hasson, white, at Ripley, and assaulted him with a corn knife, one cut going through the collar bone and another through two ribs to the lungs. Hasson's daughter, Anne, was also cut in the back of the head, requiring eight stitches to close the wound. Redman was taken to Jail at Georgetown.

CHAPTER No. 4.

We, the Jury...

FIND THE DEFENDANTS NOT GUILTY. Lawyer for defense—Gentlemen of the Jury that the Prosecuting Attorney has proven, by witnesses and circulars, that these three boys have cut and slashed the prices on all while I will admit that no other store could compete with the prices that they sold these goods, I also believe that I have shown Jury that these MERZ BOYS have paid for every dollar's worth of goods in their store; that they pay on every Saturday night wages to more employees than do any two similar stores; that their store is conducted on a higher plain than any drygoods store the largest and best stock in the best lighted store in Maysville; in fact, I think I have proven that within four years they have built up a larger business than all the drygoods stores here combined; and now, because they wish to make a great stir for goods, they have been prosecuted. THE PUBLIC LEDGER, in its editorial, said the Judge's charge was the shortest in simply said, "I instruct the Jury to acquit."

A MATTER OF HEALTH

ROYAL BAKING POWDER

**Absolutely Pure
HAS NO SUBSTITUTE**

Last night DeKalb Lodge No. 12, I. O. O. F., initiated one and elected five for membership.

Dr. James B. Landrum, said to be the best posted Mason in the United States, died at his home in Mayfield, aged 83. He was the father of Past Grand Master John W. Landrum, and was himself Grand Master of Kentucky in 1854.

The Republicans of Lewis county will hold their primary sometime in April to nominate candidates for the county offices. The candidates will meet at Vanceburg next Monday to select the date. There is one candidate for Representative, several for County Attorney, County Judge, Assessor, five for Jailor, five for Sheriff, and quite a number are spoken of for some of the other offices.

THE GREAT LAFAYETTE.

"The Pearl of Bhutan," a novel conception by the Great Lafayette which comes to the Opera-house tonight, is a spectacular representation of a mythical legend of the Orient and gives wide scope to spectacular effects and costumes, all of which have been utilized to the fullest extent. The company, which comprises over fifty artists, is headed by the Great Lafayette, and to whose conception is due the credit of the production, which is faultless in detail even to the introduction of elephants and lions to give some of the stage pictures the true Oriental coloring. Secure seats at Ray's.

Colonel Ed Horrocks of Ashland was in the city yesterday interviewing Mr. A. C. Sphar in regard to the purchase of some first-class brick that he desires to use in a number of buildings he has under contract. Maysville is the place to seek when you want the best, Colonel.

Dr. J. A. Vansant, one of the leading physicians of Mt. Sterling, has been sued in the Montgomery Circuit Court for \$5,000 damages by Charles Webster for assault and battery. During a street fair last October Dr. Vansant and wife were walking on the streets at night, when some one struck Mrs. Vansant. The Doctor turned and struck Webster, who, it happens, was not the person who struck his wife.

The venerable Mrs. Williams of the Sixth Ward is seriously ill.

The First Christian Church at Winchester last year paid out for missionary work of all purposes \$2,545, about \$800 more than the previous year.

The jury in the Marcum damage case at Winchester returned a verdict for \$8,000 against James Hargis and Ed Callahan jointly and exonerated Alex Hargis and B. F. French from any connection with the alleged conspiracy to kill James B. Marcum. The plaintiff will appeal from the judgment in favor of Alex. Hargis and B. F. French, and the defendants James Hargis and B. F. French will probably appeal from the verdict against them.

BUSTER BROWN.

"Buster Brown," which is to be given at the Opera-house Friday night, should prove an especially fitting offering. Buster and his dog, Tige, will assuredly delight all the youngsters, and the spectacular setting, the musical features, the ballet and the group of gorgeous "show girls" should prove equally potent with their elders. "Buster Brown" is the most popular figure that the funny pages of any great daily has made prominent. Mr. Melville B. Raymond has shown wise judgment in securing the sole rights to this character and his scarcely less important companion, the dog, Tige. Buster is acted by the clever little comedian, Jack Giovanni, while the animal impersonator, Jack Bell, will do Tige. There are fifty people in the performance. Seats on-sale at Ray's Thursday morning.

MANY THANK

To the people of Maysville and surrounding country for their kindness in tending to me such a liberal share of their patronage during the year closed, which I am proud to say has been the most successful of my business life in Maysville. I assure all that I appreciate this kindness towards me the fullest extent, and promise that I will make renewed efforts to serve the more faithfully and satisfactorily, if possible, during the year just begun. While my sales have been unusually large, I keep a close watch on my business, and at all times my stock will be found to be full and complete and on the very best the markets afford. My last shipment of those FANCY NEW CROP MOLASSES direct from the plantation just received. See the goods and get my prices before buying; I can please in both. FANCY FALL CATCH MACKEREL just received from Boston. No finer ever offered, and guaranteed full weight packages. Although coffee has advanced continuously for some time I am still in position, because of my very heavy purchases long ago of GREEN COFFEES, to sell at old prices, and you will find my 15c, 20c and 25c Coffees very much superior to any sold in Maysville, even at much higher prices. Fresh roasted every week. Finest TEAS a specialty; new crop just in. My assortment of

FANCY HIGH GRADE CANNED GOODS

Is the most complete and up-to-date of any house outside of the larger cities, and prices extremely low. Headquarters for FRUITS and VEGETABLES, POLTITY of all kinds and Country Produce generally. FINEST ELGIN CREAMERY BUTTER, Herkimer County, N. Y., Cheese, Ham, Pineapple, Swiss and Limburg, Buckwheat Flour, Maple Syrup, Pickles, sweet and sour, Catsups, Oyster Cocktail Sauce, Preserves and Jellies, in fact, everything good to eat and of the very best. Fresh Chesapeake Bay Oysters every day, Celery and Cranberries. The only place in Maysville you can buy Perfection Flour, says the best. Country people are specially invited to make my house headquarters when in our city.

HERE'S YOUR CHANCE TO GET SOME-
THING FOR SOME THINGS

THE LEDGER'S GOLD BRICK FOUNDRY THE
GREATEST "PIKER" EVER

The big city space-killers with their standard horse headlines saying one thing and three lines of nonpareil saying another, having concluded their big vote-guessing lotteries, and Uncle Sam having notified them not to do so no more, it's now THE LEDGER'S inning.

Therefore, just jump at these attractive offerings—

FOR ONE BIG FAT TURKEY

You can read THE LEDGER 312 days or nights in the year, and as many other nights and days as you please. No limit to number, but only one Turk will be received from the same farmyard. This will enable the eater to write a nice notice of the person who sends the best.

FOR ONE RIPE OLD HAM

You can "put yourself next" to the Turkey Man. Hams with the Scott Fletcher flavor preferred; but all old Mason county product is good.

FOR BUSHEL IRISH POTATOES

You can have just half the pleasure of the Turkey and Hamite.

COUNTRY SAUSAGE

(Smoked preferred)
Will be accepted at wet market rates on a spot cash basis, in exchange for gray matter, paper, presswork, ink and postage.

PRODIGIOUS "PUNKINS"

Are barred; Charlie Degman has a pinch on that product.

YOU'LL HAVE TO HURRY

If you want your winter crop of reading on these terms.
Don't typewrite or telegraph or telephone, but just bring along the goods and tell us where to send the paper on these terms.

MRS. REEDER'S FUNERAL

Services Last Afternoon at the Residence of Mr. Lissant Cox

The funeral of Mrs. Elizabeth Caroline Reeder occurred yesterday afternoon at 2:30 o'clock from the residence of Mr. Lissant Cox in front street, after services by Dr. Barbour and Alderson. The Christian life and virtues of the departed dead were beautifully portrayed in the remarks of the Ministers and were shown forth in a manner that others might profit by them.

The floral offerings were profuse and beautiful, many elaborate and chaste designs being sent from friends in Kansas City. Six nephews acted as pallbearers—Messrs. Robert and Horatio Fleckle, William H. and George L. Cox and Thomas A. and George Keith.

Miss Hays, Mr. J. Foster Barbour and Mr. R. A. Cochran rendered sacred songs.
Out of a family of fourteen children only two are living—Mr. Lissant Cox and Mrs. Lucy M. Keith.

The Rev. T. DeWitt Talmage says—
"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor follow. There is no power on earth so strong to build up a town as newspapers. This power should be appreciated."

Sure Relief for Women.

No. 12 Central Ave.
HOT SPRING, ARK., April 20, 1903.

Eighteen months ago I was so completely run down that my body ached from head to foot. My back seemed to break in two and I suffered intense pain in the lower abdomen. I could not afford to lay off and take a rest, and no medicine helped me any.

A friend told me how much Wine of Cardui built her up and advised me by all means to take it. The day I took the first dose the recovery of my health began. It was nearly three months before I was entirely cured, but at the end of that time I was in better health than I had been for seven years.

I look on Wine of Cardui as the most blessed medicine that a woman could possibly take when she feels sick and tired of life.

Anna Nelson
ORATOR, WEDNESDAY CHATTAUQUA CLUB

WINE of CARDUI

Mrs. Nelson describes the condition of thousands of women. That condition comes by slow stages. Usually the important function of menstruation is at first slightly irregular. Then comes the painful periods. Bearing-down pains and ovarian inflammation follow. Finally the nervous system gives way and the whole system has become affected and the pains rack the body from head to foot.

Wine of Cardui is a menstrual regulator of established reputation. No woman who takes it suffers as Mrs. Nelson suffered. It gives speedy and complete relief from the torturing menstrual agonies which are making so many women invalids today. Do not let yourself come to the pitiable condition Mrs. Nelson describes.

Secure a bottle of Wine of Cardui from your druggist today and begin treatment immediately.
